Privacy Policy

Last updated: February 2026

1. Introduction

CBlock ("we", "our", or "the app") respects your privacy.
This Privacy Policy explains how we handle information when you use the CBlock application and Safari extension.

CBlock is designed to enhance your browsing experience by helping you manage cookie consent banners in Safari.

---

2. Information We Collect

We do not collect, store, transmit, or sell any personal data.

Specifically:

- We do not require account creation.
- We do not collect names, email addresses, or contact details.
- We do not track browsing history.
- We do not collect analytics data.
- We do not use third-party tracking SDKs.
- We do not sell or share user data.

---

3. How the App Works

CBlock operates locally on your device.

The extension:

- Detects common cookie consent banners on websites
- Helps reject optional tracking cookies
- Stores your preferences locally on your device

All processing happens entirely on-device.

No browsing data is transmitted to our servers.

---

4. Data Storage

Any settings or preferences are stored locally on your device using Apple's secure system storage mechanisms.

We do not have access to this information.

---

5. Third-Party Websites

CBlock interacts with third-party websites only to manage cookie consent banners as part of its intended functionality.

We are not responsible for:

- The privacy practices of websites you visit
- Their data collection policies
- Changes to their consent mechanisms

We recommend reviewing the privacy policies of the websites you access.

---

6. Children's Privacy

CBlock does not knowingly collect personal information from children under the age of 13 (or the minimum age required in your jurisdiction).

Because no personal data is collected, the app is safe for general audiences.

---

7. Security

Since CBlock does not collect or transmit personal data, there is no user data stored on our servers.

All operations occur locally on the user's device.

---

8. Changes to This Policy

We may update this Privacy Policy from time to time.
Any changes will be reflected on this page with an updated "Last updated" date.

---
